WORK EXPERIENCE

Full Stack Developer, Duskbyte, Mohali Nov 2024 - Present

- Build and maintain responsive web applications with React.js and Next.js (TypeScript), integrating frontends with REST APIs built on Laravel.
- Debug and fix production issues across frontends, APIs and database queries; apply performance optimization and code-review practices.
- Containerize legacy applications with Docker; set up Linux production servers and Nginx configuration over SSH.
- Mentor 2 trainees via Git pull requests and code reviews; use Claude Code and Cursor daily.

Trainee PHP Developer, Duskbyte, Mohali May 2024 - Nov 2024

- Built REST APIs and React.js integrations for a Buyer Commission platform and a Chrome extension.

Trainee React Developer, Solitaire Infosys, Mohali Sep 2022 - Feb 2023

- Built Fitness Freak, a React.js website using hooks, state management and reusable UI components.

PROJECTS

Free Tax Protest | freetaxprotest.com 2025 - 2026

- Rebuilt the Blade/Vue admin panel as a React.js frontend (Hooks, Context API) integrated with a Laravel REST API.
- Automated ETL for 20 files (50+ GB, 8.4M+ records) into PostgreSQL with DuckDB; migrated storage to AWS S3 and 70+ email templates to SendGrid.
- Built OAuth SSO for two counties; learning FastAPI for the 2026 migration to FastAPI and React.js.

Duskbyte Workspace | workspace.duskbyteapps.com

- Built an internal ticketing platform end to end with Next.js and TypeScript, using React Hooks and Context API for state; used daily by the team.

DB Monitoring Tool (POC)

- Built an AI-assisted Go monitoring agent; visualized time-series metrics in React.js charts using Hooks.

Lead Intake Workflow | duskbyteapps.com/lead-intake-workflow

- Built and Dockerized a Next.js and PostgreSQL app with advanced lead filtering.

Itwin.ai | itwin.duskbyteapps.com

- Built an AI video platform (Laravel, Vue.js, TypeScript, MySQL, Docker) using OpenAI, HeyGen and Shotstack APIs.

BeatMyTicket | ticketresolver.com

- Integrated Gemini API for vehicle challans, Zoho CRM for lead generation and Stripe for payments.

Performant 365 CRE | 365cre.com

- Built Microsoft login, roster management and Braintree subscriptions using the Laravel service-repository pattern.
